

College of Agriculture, Food & Natural Resources
Agricultural Systems Management

FACULTY

David Baker, Associate Professor and Assistant Director, CAFNR Extension, M.S. Illinois State University, CSP. Expertise: Occupational Health & Safety. Responsibilities: Extension and Teaching. Room 2-28 Ag. Bldg., 882.6385, e-mail: Bakerd@missouri.edu

Dr. Steven Borgelt, Associate Professor, Ph.D. Texas A&M University, PE, Expertise: Machine Design, Precision Farming, Alternative Fuels, Responsibilities: Teaching and Research, Room 249 AE 573.882.7549, email: BorgeltS@missouri.edu

Robert (Bob) Broz, Assistant Professor and Water Quality Program Director, M.S. University of Missouri-Columbia. Expertise: Water Quality. Responsibilities: Coordinator of the Water Quality Program. Room 205 AE, 882.0085, e-mail: BrozR@missouri.edu

Dr. William D. Casady, Associate Professor; PhD. University of Illinois. Expertise: Forage Mechanization Systems. Responsibilities: Extension. Room 211 AE, 882.2731, e-mail: Casadyw@missouri.edu

Dan Downing, M.S., Extension and Adult Education, University of Missouri-Columbia Extension Associate, Expertise: Water Quality; Teaching: ASM 2320, Internal Combustion Room 226 AE, 882-0085 email: downingd@missouri.edu

Dr. H. Willard Downs, Professor, Ph.D. Oklahoma State University, Program Leader, Agricultural Systems Management, Unit Program Extension Leader, Expertise: AgrAbility, Air Quality, Environmental Issues, Safety, Responsibilities: Extension, Agricultural Systems Management, Room 207 AE 882.2731, email: DownsW@missouri.edu

Dr. Charles D. Fulhage, Professor, PhD. University of Missouri, PE. Expertise: Waste Management, Pollution Control & Water Quality. Responsibilities: Extension. Room 230 AE, 882.2731, e-mail: FulhageC@missouri.edu

Karen B. Funkenbusch, Director Missouri AgrAbility Project, Rural Health and Safety. Responsibilities: Extension. Room 222 AE, 882.2731 e-mail: FunkenbuschK@missouri.edu

Dr. Allen T. Hjelmfelt, Jr., Adjunct Professor, PhD. University of Missouri. Expertise: Hydrology, mathematical Modeling of Rural Watersheds, Sedimentation. Responsibilities: Research (USDA-ARS). Room 268 AE, 882.1142, e-mail: HjelmfeltA@missouri.edu

Dr. Fu-Hung Hsieh, Professor, PhD. University of Minnesota. Expertise: Food Extrusion, Membrane Separation, Water Activity of Food, New Food & Feed Products. Responsibilities: Research and teaching. Room 248 AE, 992.2444, e-mail: HsiehF@missouri.edu

Dr. Newel Kitchen, Adjunct Assistant Professor, PhD. Expertise: Soil and Atmospheric Sciences. Responsibilities: USDA and ASM 301, Room 240 AE, 882.1135 e-mail: KitchenN@missouri.edu

Dr. Leon Schumacher, Associate Professor, Ph.D. Iowa State University, Expertise: Teaching of Agricultural Mechanics, Alternative Fuels, Responsibilities: Teaching and Research, Room 235 AE 573.882.2126, email: SchumacherL@missouri.edu

Kent Shannon, Extension Associate/Associate Director MPAC. University of Missouri. Expertise: Responsibilities: Room 238 AE. 884.2267. e-mail: ShannonD@missouri.edu

Dr. Kenneth A. Sudduth, Adjunct Associate Professor, PhD. University of Illinois, EIT. Expertise: Electronics, automatic controls, sensors, and computer modeling, primarily for pesticide application and crop production equipment. Responsibilities: Research (UADA-ARS) Room 245 AR, 882.4090, e-mail: SudduthK@missouri.edu

Dr. Jinglu Tan, Professor and Unit Leader, PhD. University of Minnesota. Expertise: Process control and automation, machine vision, Instrumentation. Responsibilities: Research and teaching. Room 215 AE, 882.7778, e-mail: TanJ@missouri.edu

Dr. Robert Thomas, Professor, PhD., University of Idaho. Expertise: Communications. Responsibilities: Writing reports, PSA,s and getting information to the public. Room 209 AE, 882.2480, e-mail: ThomasR@missouri.edu

Dr. Allen Thompson, Associate Professor, Ph.D University of Nebraska, PE, Expertise: Irrigation water management, hydrology of submerged flow constructed wetlands, water droplet mechanics, soil erosion mechanics. Responsibilities: Research and Teaching, Room 251 AE, 573.882.4004, e-mail: ThompsonA@missouri.edu

Dr. Joseph N. Zulovich, Assistant Professor, PhD. University of Nebraska, PE. Expertise: Extension Agricultural Engineer, Structures and animal Environment. Responsibilities: Extension. Room 231 AE, 882.2731, e-mail: ZulovichJM@missouri.edu

Faculty have other obligations:

BE SURE TO CALL AHEAD FOR AN APPOINTMENT!
